How can I get involved next year?

Next year the Breeders Directory will be opened up to include more of your breeding needs! Stallions, studs with ASH prodigy available for purchase, trainers and more!

We will be asking a small fee to contribute to the running costs for the State Management Council for all advertisements.

The format will be similar to this year and all advertisements will be required by 20 July 2026 to ensure this document can be available before breeding season!

FEEDBACK

Do you have feedback and ideas for next year?

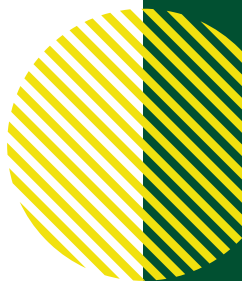

Firstly, a big thank you to all of the stallion owners who provided advertisements! Without your support we couldn't provide this directory to our WA Members.

The volunteers on the WA State Management Council that have put hours of work into creating this Directory for WA and it's really exciting to see it so well supported this year.

Do you have ideas on how we can make this bigger and better next year?

What would you like to see included?

Please send your feedback through to the SMC Secretary; Katarina Dudley E: smcwaashs@gmail.com

On behalf of your WA State Management Council
Thank you!
